5. The contest involves selecting the Sunday and Monday Pro Football games during all 17 weeks of the regular season. 15 selections are required each week from the contest card. "Totals" will be added to bring the total number of selections to 15 during weeks where there are not 15 games on Sunday and Monday.
6. Games must be played on the date originally scheduled or by the following day. In the event a game is postponed/canceled beyond the following day, the game will be declared no action and will not count towards weekly or season standings.

10. In the event of a tie for a Weekly Prize, tied contestants will equally split only the prize money for that place. For example, if four (4) contestants tie for most winners then those contestants will all share equally in the 1st Place money for that week, and if only one contestant has the 2nd most winners, on that same week, that contestant will be paid all of the 2nd Place money.
