4. FUTURE WAGERS are “action” if a winner is officially declared, regardless of team relocation, name change, league affiliation, playoff format, season length, etc.
5. In all sports, with the exception of tennis, if any change in venue occurs from the originally scheduled venue, there will be “no action” and wagers will be fully refunded.
6. Both sides must start in any two-way matchup propositions.

DEFINITION OF “OFFICIAL”

1. BASEBALL (major league, minor league, and college): In all nine-inning scheduled games, winners and losers are "official" after nine innings of play unless the home team is leading after eight and one-half innings or the game is tied at the end of nine innings and goes into extra innings. If a game goes into extra innings, winners and losers are “official” after the winner is decided after a full inning of play.
 - a. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead.
 - b. The called/suspended games rule also applies to seven-inning scheduled games.

- c. For bets on the pregame money line, if a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play, unless the team batting second scores to tie, or takes the lead in the bottom half of the inning, in which case the winner is determined by the score at the time the game is called.
 - d. For first five full inning wagers, if a game is suspended in the bottom of the fifth inning with the home team ahead, all money line bets will be posted as official at the time of the suspension, with the total being refunded.
- 2. SOFTBALL (major league, minor league, and college): In all seven-inning scheduled games, winners and losers are "official" after seven innings of play unless the home team is leading after six and one-half innings or the game is tied at the end of seven innings and goes into extra innings. If a game goes into extra innings, winners and losers are "official" after the winner is decided after a full inning of play.
 - a. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead.
 - b. For bets on the pregame money line, if a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play, unless the team batting second scores to tie, or takes the lead in the bottom half of the inning, in which case the winner is determined by the score at the time the game is called.

WAGERING ON "TOTALS" – OVER OR UNDER

1. When wagering on "totals" on contests involving a scheduled time limit, all game wagering rules applicable to minimum length of play requirements shall also apply to "totals" wagers (i.e. contests must play to their conclusion or have five minutes or less of scheduled playing time remaining for "totals" wagers to be considered "action").
2. When wagering on baseball "totals" or "run lines," the game must go at least the regulation nine innings (eight and one-half if the home team is ahead) for a scheduled nine-inning game and seven innings (six and one-half if the home team is ahead) for a scheduled seven-inning game.
 - a. If the game goes past regulation innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not bat (complete their turn at bat) in the bottom half of an extra-inning game, the score reverts to the previous full inning of play.
 - b. When wagering before the start of a baseball game on "totals" or "run lines," pitchers will be automatically listed. A pitching change before the game starts constitutes "no action."
3. When wagering on softball "totals" or "run lines," the game must go at least the regulation seven innings (six and one-half if the home team is ahead).
 - a. If the game goes past regulation innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not bat (complete their turn at bat) in the bottom half of an extra-inning game, the score reverts to the previous full inning of play.
 - b. When wagering before the start of a softball game on "totals" or "run lines," no pitchers will be listed; therefore, all wagers constitute "action."
4. When wagering on soccer "totals", extra time and penalty kicks do not count towards the "total"; only 90 minutes plus injury time are counted.

OVERTIME PERIODS

1. When wagering on "totals," overtime periods are counted in the final score, unless otherwise specified.
2. On "half-time" wagers, overtime periods are included as part of the second half, unless otherwise specified.

DETERMINING THE WINNER

1. The winner of an event or game will be determined on the date of the event's conclusion. Management may recognize suspended games, protests, overturned decisions, etc. Management, at its sole discretion, may delay payment of winning wagers if the final score is questioned or challenged.
2. If an event or market is resulted in error, Management reserves the right to amend the settlement.
3. In the event of official changes to score, Management reserves the right to amend settlement of wagers, provided official score change occurs by 6AM venue time the following day.
4. The winner of an event or proposition wager that occurs while a game or match is in progress will be used to determine the winner as soon as the event is complete, regardless if the game or match is played to its conclusion, unless otherwise specified.

 - d. NOTE: Each team's starting pitcher is defined, for wagering purposes, as the pitcher who throws the initial pitch.
 - e. In the event of a change in pitcher(s) prior to the start of a baseball game, money line odds may be adjusted. If one scheduled pitcher starts against an unscheduled pitcher, "action" and "specified pitcher" wagers will be computed at the opening price established with the new pitcher.

- f. First five inning wagers are automatically listed pitchers. A pitching change constitutes "no action."
2. All college baseball and softball wagers are "action," regardless of starting pitchers.
3. When the mercy rule is called because one team has an unassailable lead, all bets are "action", regardless of when the game is called.

5. NOTE: for rules on "totals" and "run lines" reference "WAGERING ON TOTALS" section.

FIGHTS: BOXING AND MMA RULES

1. A "full round" is defined as one in which the bell, buzzer, etc. has sounded signifying the conclusion of such round. If a fighter is counted out or the bout is officially stopped prior to the bell, buzzer, etc., such round is not considered a "full round" for wagering purposes.
2. In the event of a draw, wagers on who will win are "no action".
