- f. The time on the tickets is Central Time.

3. DEFINITION OF "ACTION"

- a. Except as noted below or otherwise specified, all events must be held within seven (7) days of the scheduled date to be considered "action."
- b. BASKETBALL, HOCKEY, BASEBALL, SOFTBALL, SOCCER, AUSTRALIAN RULES FOOTBALL, LACROSSE, RUGBY and VOLLEYBALL games must be played on the date scheduled for "action." If a game is postponed and/or rescheduled to a later date, said game will automatically constitute "no action."
- c. AUTO races are "action" when the first car crosses the start line after the green flag is dropped.
- d. FUTURE WAGERS are "action" as long as a winner is officially declared, regardless of team relocation, name change, league affiliation, playoff format, season length, etc.
- e. In all sports, with the exception of tennis/table tennis, if any change in venue occurs from the originally scheduled location, there will be "no action" and wagers will be fully refunded.
- f. Both sides must start in any two-way matchup propositions.
- g. Any straight wager deemed "no action" will be refunded. If a parlay has a leg that is deemed "no action", the parlay will reduce by one selection (i.e. 4-team parlay becomes a 3-team parlay, 2-team parlay becomes a straight wager).
- h. For daily BASEBALL proposition wagers, all wagers constitute "action" regardless of the number of games completed, except for the BASEBALL "Grand Salami" in which case all scheduled games must go at least 8 ½ or 9 innings for there to be "action."
- i. For BASEBALL first inning wagers, the first inning must be fully completed for there to be "action"; otherwise, wagers are refunded. In the case of a pitching change, first inning yes-no run scored bets associated with that pitching matchup will be considered "no action".

- j. For player proposition bets to be considered “action”, the following criteria must be met:
- Football – player must play
 - Baseball – player must start
 - Basketball – player must play
 - Hockey – player must play
 - Soccer – player must start. Additionally, extra time and penalty kick shootout statistics are not included.

4. DEFINITION OF "OFFICIAL"

- a. **BASEBALL** (major league, minor league, and college): In all nine-inning scheduled games, winners and losers are "official" after nine innings of play unless the home team is leading after eight and one-half innings or the game is tied at the end of 9 innings and goes into extra innings. If a game goes into extra innings, winners and losers are “official” after the winner is decided after a full inning of play.
- i. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead.
 - ii. The called/suspended games rule also applies to seven-inning scheduled games.
 - iii. If a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play. (For example, in a case in which the home team scores to tie or take the lead in the bottom half of the inning, which is not completed, and the game is subsequently called, the runs scored in that inning do not count for wagering purposes.)
 - iv. For first 5 innings wagers, if a game is suspended in the bottom of the 5th inning with the home team ahead, all money line bets will be posted as official at the time of suspension, with the total being refunded.
- b. **SOFTBALL** (major league, minor league, and college): In all seven-inning scheduled games, winners and losers are "official" after seven innings of play unless the home team is leading after six and one-half innings or the game is tied at the end of seven innings and goes into extra innings. If a game goes into extra innings, winners and losers are “official” after the winner is decided after a full inning of play.
- i. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead.
 - ii. If a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play. (For example, in a case in which the home team scores to tie or take the lead in the bottom half of the inning, which is not completed, and the game is subsequently called, the runs scored in that inning do not count for wagering purposes.)
- c. **BASKETBALL** (college): After 35 minutes of play.

- d. BASKETBALL (professional): After 43 minutes of play.
- e. FIGHTS: When bell (buzzer, etc.) is sounded signifying the start of the opening round, the bout is considered "official", regardless of the scheduled length.
- f. FOOTBALL (both college and professional): After 55 minutes of play.
- g. HOCKEY (both college and professional): After 55 minutes of play.
- h. SOCCER: After 90 minutes of play.
- i. AUSTRALIAN RULES FOOTBALL: After 80 minutes of play.
- j. LACROSSE (both college and professional): After 55 minutes of play.
- k. RUGBY LEAGUE and RUGBY UNION: After 80 minutes of play.
- l. VOLLEYBALL (both college and professional): Match must be fully completed for action.
- m. AUTO: A race must be completed, and a winner declared within seven (7) days of the start of the race to be considered "official".
- n. GOLF: Tournaments must be completed within seven (7) days of the start of the tournament to be considered "official."
- o. OTHER: All other contests that involve a scheduled length of play or time limit must play to their conclusion or have five minutes or less of scheduled playing time remaining when the contest concludes in order to be considered "official" unless otherwise specified.
- p. In all sports, with the exception of tennis/table tennis, if any change in venue occurs from the originally scheduled location, there will be "no action" and wagers will be fully refunded.

5. WAGERING ON "TOTALS" – OVER OR UNDER

- a. When wagering on "totals" on contests involving a scheduled time limit, all game wagering rules applicable to minimum length of play requirements shall also apply to "totals" wagers (i.e. contests must play to their conclusion or have five minutes or less of scheduled playing time remaining for "totals" wagers to be considered "action").
- b. When wagering on baseball "totals" or "run lines," the game must go at least the regulation nine innings (eight and one-half if the home team is ahead) for a scheduled nine-inning game and seven innings (six and one-half if the home team is ahead) for a scheduled seven-inning game.
 - i. If the game goes past regulation innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not bat (complete their turn at bat) in the bottom half of an extra-inning game, the score reverts back to the previous full inning of play.

- ii. When wagering before the start of a baseball game on "totals" or "run lines," pitchers will be automatically listed. A pitcher change before the game starts constitutes "no action."
- c. When wagering on softball "totals" or "run lines," the game must go at least the regulation seven innings (six and one-half if the home team is ahead).
 - i. If the game goes past regulation innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not bat (complete their turn at bat) in the bottom half of an extra-inning game, the score reverts back to the previous full inning of play.
 - ii. When wagering before the start of a softball game on "totals" or "run lines," no pitchers will be listed; therefore, all wagers constitute "action."
- d. When wagering on soccer "totals", extra time and penalty kicks do not count towards the "total"; only 90 minutes plus injury time are counted.
- e. When wagering on football regular season win totals (both college and professional), teams must play the exact number of games on their schedule for "action". If there is a change in opponent, as long as the team plays the originally scheduled number of games, those bets are still declared as "action".

6. OVERTIME PERIODS

- a. When wagering on "totals," overtime periods are counted in the final score, unless otherwise specified.
- b. On halftime or second half wagers, overtime periods are included as part of the second half, unless otherwise specified.

7. DETERMINING THE WINNER

- a. The winner of an event or game will be determined on the date of the event's conclusion. Management does not recognize suspended games, protests, overturned decisions, changes to the score, etc. any time after the date that the event was completed. Management, at its sole discretion, may delay payment of winning wagers if the final score is questioned or challenged.
- b. The winner of an event or proposition wager that occurs while a game or match is in progress will be used to determine the winner as soon as the event is complete, regardless if the game or match is played to its conclusion, unless otherwise specified.

8. WAGERING TIES

- a. Straight wager, "no action" and the wager will be refunded.
- b. 2-team teaser, "no action" regardless of the outcome of the other team.

- d. Unless odds are quoted for a tie, any market in which the result is a wagering tie will be refunded.

11. PRO BASKETBALL/COLLEGE BASKETBALL

- a. Overtime counts unless otherwise specified.
- b. All basketball games must be fully completed for full-game wagers to be considered action. Any games cancelled or postponed before completion will be void.

- d. Unless odds are quoted for a tie, any market where the result is a wagering tie will be refunded

12. BASEBALL AND SOFTBALL RULES

- a. Professional baseball wagers are accepted in the following manner:
 - i. Action: Team against team regardless of the starting pitcher.

- ii. One Specific Pitcher: A wager on or against one specific pitcher regardless of the other starting pitcher. The specified pitcher must start, or the wager is deemed “no action”.
 - iii. Both Specified Pitchers: A wager that specifies both starting pitchers. Any variation constitutes “no action.”
 - iv. NOTE: Each team’s starting pitcher is defined, for wagering purposes, as the pitcher who throws the initial pitch.
 - v. In the event of a change in pitcher(s) prior to the start of a baseball game, money line odds may be adjusted. If one scheduled pitcher starts against an unscheduled pitcher, “action” and “specified pitcher” wagers will be computed at the opening price established with the new pitcher.
 - vi. First inning yes-no run scored, and total runs, hits and errors proposition wagers are automatically listed as “no action” due to a change in the scheduled starting pitcher.
 - vii. For regular season series propositions, all bets are considered action, regardless of the number of actual games played versus the number of games scheduled in the series.
- b. All college baseball and softball wagers are “action,” regardless of starting pitchers.
 - c. Baseball parlay payoffs are computed using standard money line calculations.
 - d. For all full-game wagers on baseball the game must go at least the regulation nine innings (eight and one-half if the home team is ahead) for a scheduled nine-inning game and seven innings (six and one half if the home team is ahead) for a scheduled seven-inning game for action.
 - e. For all specific inning or combined inning (e.g. first 5 innings) wagering on baseball, the specified inning or period must have been completed for action. For example, a wager on a run being scored in the 5th Inning where a game is postponed in the 7th is action; whereas if the game were to be called at any time during the 5th, the wager is void (regardless if a run has already been scored).
 - f. For specific yes-no on a run being scored in a particular inning, the FULL inning must be completed for “action”.
 - g. Unless odds are quoted for a tie, any market where the result is a wagering tie will be refunded.

13. HOCKEY

- a. For professional hockey wagering purposes (NHL, KHL, European), in the event of a shootout, the winner is awarded one goal, which is considered in the determination of the winner and loser and counted toward the game total. For player yes-no goal scoring props, shootout goals do not count.
- b. For college hockey wagering purposes, regular season final scores will be determined by the rules of the particular conference. 3 on 3 and shootout results

may not count towards the final score. In mid-season tournament games, all overtime and shootout results count towards the final score.

- c. Wagers for all full-game markets stand providing at least 55 minutes of play have taken place and an official result is declared, unless otherwise specified.
- d. Wagers for all part-game markets are action upon the completion of the specified period. For example, a 1st period wager is action if a game is postponed in the 3rd period; whereas a 2nd period wager is void if the game is postponed in the 2nd period.
- e. Unless odds are quoted for a tie, any market where the result is a wagering tie will be refunded.

14. FIGHTS: BOXING & MMA RULES

- a. A "full round" is defined as one in which the bell, buzzer, etc. has sounded signifying the conclusion of such round. If a fighter is counted out or the bout is officially stopped prior to the bell, buzzer, etc., such round is not considered a "full round" for wagering purposes.
- b. If a boxing or mixed martial arts fight ends at exactly 1:30 of a 3:00 minute round or 2:30 of a 5:00 minute round, whereas the fight lands exactly on the listed total, total bets will be refunded.
- c. In the event of a draw, wagers on who will win are "no action".
- d. All straight win wagers will have "action" regardless of any changes in weight class, scheduled length of the bout, or championship sanction unless otherwise stipulated. All round, knock-out ("K.O.") or decision proposition wagers are "no action" if the scheduled length of the bout is changed.
- e. On K.O. proposition wagers, K.O. includes knockout, technical knockout, disqualification, technical decision, or any other stoppage.
