## 1. MANAGEMENT

- a. Management reserves the right to add, delete, or change the House Rules and/or payoff odds subject to regulatory approval of the Nevada Gaming Control Board.
- b. Management reserves the right to refuse any wager or delete or limit any selection(s) prior to the acceptance of the wagers.
- c. Management determines the minimum and maximum wagers on all events.
- d. The use of two-way electronics communication devices while you are at the counter placing a wager is prohibited.
- e. Nevada law prohibits persons under the age of 21 from wagering, collecting winning wagers or loitering in or about the Race and Sports Book area.
- f. All wagers will be deemed to have been accepted from the individual placing the wager only, and not on behalf of any entity.
- g. Accepting telephone or electronic wagers from outside the state of Nevada is strictly prohibited.
- h. Payoffs over \$10,000 may be delayed until the next regular banking day.
- i. Payoffs up to \$400,000 can be paid in cash. Amounts higher than \$400,000 will be paid by check or wire transfer.
- j. Wagers may be accepted at other than the posted odds, please check your ticket prior to leaving the window.
- k. Wagering rules and conditions are subject to change; please refer to odds sheets/displays for details. If there is a conflict between a stipulation on an odds sheet/display and these House Rules the stipulation on the odds sheet/display will prevail.
- l. In the event of an obvious price or term error the following procedures will be adhered to:
  - a. The ticket(s) in question will be locked.
  - b. The patron(s) will be contacted via Customer Service to resolve and clarify the issue.
  - c. In most cases a reasonable resolution will be offered in terms of voiding the wager and an offer of compensation that must be collectively agreed upon by the patron and management.
  - d. In the event of an agreement not being reached the issue will be raised with the Nevada Gaming Control Board to collaborate on resolution.
  - e. Obvious price or terms errors: We do all that we can to avoid errors, however we cannot accept responsibility for obvious errors, also referred to as palpable errors, or omissions in respect of the announcing, publishing, or marking of prices, spreads, or results that occur despite our every effort to ensure total accuracy.
1. A non-exhaustive list of "obvious errors" is as follows:
  - o the prices/terms offered are materially different from those available in the general market at the time the bet was placed.
  - o the prices/terms offered at the time the bet is placed are clearly incorrect given the probability of the event occurring.
  - o odds or terms of a bet have been misquoted as a result of human or system error.
  - o where we have continued to accept bets on a game which should have been suspended, including where the relevant event is in progress or had already finished.

- where an error is made by us as to the amount of winnings/returns that are paid to you, including as a result of a manual or computer input error.
  - where markets are created and graded for an event or matchup that does not take place
2. We reserve the right to correct any obvious error made on a bet placed in one of our betting Live markets and settle at the correct price or terms, which were actually available with the Company (absent the obvious error) at the time the bet was struck. Assuring that the above procedures are followed with respect to the patron.
  3. When a bet is placed on a market offered before an event has started and more advantageous odds or terms than those actually available with the Company are applied, we will either settle the bet at the correct price or terms available with the Company.
  4. Where the incorrect odds or terms are less advantageous than those available with the Company, the odds or terms will be amended to the correct odds or terms available.

Example: The Company briefly displayed live odds of New York Rangers -500 | Draw +400 | Philadelphia Flyers +300 with the live score Flyers 3, Rangers 1. You placed a bet on the Philadelphia Flyers to win the game at +300. Could my bet be overturned at this price?

Yes, because the odds for both teams could be transposed. If this was an obvious error because the odds are materially different from that available in the general market and are clearly incorrect given the probability of each team winning the game, this bet could be void.

Example: A spread of -7 where the industry standard is +7, wagers offered which reflect an incorrect score situation, or wagers being clearly incorrect given the chance of the event occurring at the time the wager was made. In the event of said issue, tickets on the affected event would be locked until an agreed resolution by both parties is reached.

- m. Please be aware that data such as current scores, time elapsed etc. that is displayed on our site or on our text screens is sourced from a 'live feed' provided by a third party and may be subject to time delay and/or be inaccurate. If you rely on this data to place bets, you do so entirely at your own risk and Management accepts no responsibility for any loss (direct or indirect) suffered by you as a result of your reliance on it.

## 2. TICKET ACCURACY

- a. Please check your ticket for accuracy as all tickets go as written after you leave the wagering counter. Once a wager is accepted by both parties, tickets will not be altered or voided except at the discretion of Management and with the approval of both parties. In accordance with Regulation 22.115, if both parties do not agree to void the ticket, written approval from the Chair will be requested for the void.
- b. If the ticket does not print due to a mechanical error at a kiosk or ticket writer station, the ticket will be voided and the money refunded to the patron for bet replacement.
- c. No winning wager will be paid without the customer copy of the wagering ticket, except for lost, stolen or unreadable tickets which will be honored as stated below.
- d. Management is not responsible for lost, stolen, altered or unreadable tickets. For all honored lost or stolen tickets, once the rightful owner of a winning ticket has been determined, payment will be made as soon as possible. For all lost, stolen, or unreadable tickets where the rightful owner cannot be immediately determined the waiting period for honored claims will be 121 days.
- e. Winning tickets are void after 365 days from conclusion of the event.

- f. Winning tickets may be mailed in for redemption to the address on the reverse of the ticket. See the reverse side of the wagering ticket for mail-in collection instructions and address. If a self-addressed envelope is not included, a processing fee may be charged.
- g. The time on the tickets is Pacific Time.
